Re: Patent No. 7,508,669  
Issued: March 24, 2009  
Inventor(s): Harald Fonfara et al.  
For: Cooling Device for an Electronic  
Component, Especially for a Microprocessor

Sir:

We have noted in proofreading Patent No. 7,508,669 the following errors:

Column 2, line 54 (application page 4, line 15), "to the cooled" should be --to be cooled--.

Column 3, line 36 (application page 6, line 7), after "parts", delete "that".

Column 3, line 45 (application page 6, line 14), "very" should be --vary--.

Kindly make these errors of record in your files.

Very truly yours,

Michael P. Brennan
